Welcome from our Chief Executive

Thank you for your interest in the role of Careers Hub Administrator for the Berkshire Careers Hub. This is an exciting opportunity to join our dynamic and ambitious team at a pivotal time, contributing directly to the strategic support and development of schools, colleges, and employers across Berkshire.

The Berkshire Careers Hub, part of The Skills and Business Hub, plays a key role in driving collaboration to improve careers education and opportunities for young people in the region. We work closely with businesses, educators, and stakeholders to empower young people to achieve their full potential while addressing local skills needs. Our aim is to foster a thriving ecosystem of careers guidance and employer engagement, aligned with local economic priorities.

We are a forward-thinking team with a strong reputation for delivery. The Berkshire Careers Hub has consistently supported schools, colleges, and employers in improving careers provision, with demonstrable success in helping institutions achieve and exceed the Gatsby Benchmarks. The Hub is supported by the national Careers and Enterprise Company and provides vital links between employers and education providers, ensuring that young people across Berkshire have access to meaningful career opportunities.

As a Careers Hub Administrator, you will have the opportunity to:

- Play a central role in supporting the delivery of careers education initiatives that positively impact young people across Berkshire.
- Work with a wide range of stakeholders, including schools, colleges, employers, volunteers and local partners, helping to strengthen links between education and the world of work.
- Develop your skills in administration, stakeholder engagement, event coordination and data management within a supportive and collaborative team environment.

We are looking for an organised, proactive and personable individual who enjoys working with a variety of stakeholders, has excellent attention to detail and takes pride in delivering high-quality administrative support. Most importantly, we are seeking someone who shares our commitment to improving opportunities for young people and supporting the development of a highly skilled local workforce.

We look forward to welcoming someone who will help us continue to build on our achievements and drive forward the Careers Hub's mission of transforming careers education across Berkshire.

Alison Webster, Chief Executive

connections that create opportunities and drive growth.

Background Information

The Careers & Enterprise Company (CEC) is the national body for careers education in England, delivering support to schools and colleges to provide modern, 21st century careers education.

Careers Hubs bring together schools, colleges, employers and apprenticeship providers across a local area. The goal is to work collaboratively to help schools and colleges improve how they prepare young people for their next steps in education, training and employment.

Strategy

The Careers & Enterprise Company aims to:

1. Deliver as much impact as possible on the lives of young people.
2. Deliver a universal service while targeting inclusion and removing barriers for young people.
3. Build a sustainable system where high-quality careers education can continue long into the future.

Role Summary

The Careers Hub Administrator will play a key role within the Berkshire Careers Hub, supporting the Hub Leads and Enterprise Coordinators with administrative functions and stakeholder engagement activities.

The post holder will contribute to the effective delivery of Careers Hub objectives by maintaining strong relationships with schools, colleges, employers, volunteers and other local partners.

Scope

The Careers Hub Administrator will work as an integral member of the Careers Hub team, supporting relationships with schools, volunteers and businesses across Berkshire.

The role provides a broad range of administrative support and will involve establishing and maintaining links with local stakeholders, including schools, colleges, businesses, volunteers and local government partners.

Key Responsibilities

Operational Delivery

- Provide administrative support to the Hub Leads and wider Careers Hub team.
- Act as a key contact for sharing information and Careers Hub data with The Careers & Enterprise Company and local partners.
- Liaise with key staff in schools and colleges to arrange meetings, provide updates and share resources as required.
- Check and monitor the Careers Hub generic email inbox and team distribution lists.
- Prepare and compile Careers Hub newsletters, news bulletins and online noticeboard updates.

Reporting and Information Management

- Collate and present information relating to Careers Hub achievements and progress against targets.
- Support reporting processes, evaluations, sharing of key learning and dissemination of best practice.
- Track Enterprise Adviser activity and contribute to reporting and case study development.
- Maintain accurate records and data in line with organisational requirements.

Stakeholder Engagement and Relationship Building

- Support engagement activities with businesses, employers and education-business link organisations.
- Build and maintain positive relationships with schools, colleges, employers, volunteers and partner organisations.

- Support the recruitment of Enterprise Advisers, promoting diversity and inclusion within volunteer representation across local sectors.

Enterprise Adviser Support

- Support Enterprise Advisers through induction processes and training activities.
- Coordinate Enterprise Adviser network meetings and support ongoing development opportunities.
- Work with the team to ensure DBS checks are completed for Enterprise Advisers before they begin working with schools.

Event and Meeting Coordination

- Organise network meetings, training sessions and Careers Hub events.
- Attend national and local Careers & Enterprise Company training as required.
- Provide logistical and administrative support for stakeholder meetings and engagement activities.
